Echo from Secretariat

Prof. Swapan Kumar Samanta, MBBS (Hons), MS, CCEH (ICEH), West Bengal Medical Education Service, Eye Dept., Burdwan Medical College, West Bengal

Burdwan Medical College

Respected Colleagues & Friends,
Namaskar

ACOIN (Association of Community Ophthalmologist of India) is marching forward with its Flag impregnated with Appeal for "Advocacy in Community Health in Indian Subcontinent". Within the past 17 years ACOIN has reached almost 50% of the districts of India (From Kashmir to Kanya Kumarika & Ahmedabad to Aizawal) and Organised more than 500 Academic Assemblies in Indian Subcontinent & 50 Door to Door Village Survey. A team of 09 of the year 2000 has turned into a Brigade of 1000 Life Members ! In Gujarat we have 65 members.

ACOIN STATE CHAPTERS : A Remarkable Feature :Installation of ACOIN State Chapters so as to intensify the activities in the rural unreached corners of the states . In Nine States of India (Odisha, Maharashtra, Bihar, Gujarat, Madhya Pradesh, West Bengal, Assam, Chhatisgarh & Uttar Pradesh) .

ONGOING ACTIVITIES : In 2017-2018 ACOIN has taken the slogan of the **ACOIN Academic Year "Beat Invisible Glaucoma Early, Preserve long lasting vision"** to review the successful implementation of Glaucoma Awareness Programme under the National Programme for Control of Blindness. ACOIN is organising state wise One hour Session in each of the State Conferences. We have already organized session in Tamil Nadu & Uttarakhand.

MEMBERSHIP DRIVE: ACOIN has started a Membership Drive around Indian Subcontinent with 50% discount (Only Rs. Two thousand for Life Membership) upto 28th February, 2018.

Focus of ACOIN : " Prepare Ophthal Generation Next" . ACOIN is organising various Academic Activities to build up their eloquence as well as presentation habit on clinical subjects with the touch of Community Eye Health Delivery System. Fifteen Research Grants have been given to Fifteen PGTs (one from each Medical College) so as to undergo a Short Term Community Eye Health Research within three Months from 01st October,2017 to 31st. December 2017 and prepare a Dissertation which will be published in different Journal.

Club of Ophthal Profs' of India (COPI) : An Organisation being patronised by ACOIN so as to "INTROSPECT" the ongoing Teaching & Training Programme of PGTs' in Ophthalmology in India.

A DREAM OF ACOIN: A THREE MUSKETEERS GROUP OF CEH : By the active participation of ACOIN to make All India Ophthalmological Society as All India Community Ophthalmological Society for the year 2020, the particular year of celebration of VISION 2020 Right to Sight Movement all over the world.

Globally it will be a great example for the implementation of WHO Charter of Declaration on PBL Pgm. It is my personnel desire that there will be a Three Musketeers Group, which will be organised in each of these 730 districts of India (One from AIOS, One from ACOIN & One from IMA). It will be extended to a "TEAM OF SIX" with inclusion of District Magistrate, Chief Medical Officer of Health of the District & Zilla Sabhadhipati. This team will observe Four special days in that particular district every year - World Health Day, International Doctors Day World Sight Day & World Diabetic Day. On that very particular there will be a Rally in the District Town, screening program of the community for Diabetic Retinopathy/ Childhood Blindness / Glaucoma and a CME on Community Ophthalmology. Just imagine if it happens on a particular date like Mass Polio Vaccination Programme, how will it vibrate India for the cause of both Avoidable as well as Irreversible Blindness for the people in need!

Lets join ACOIN, be an active partner of this Nationwide "Ashwamed Jangna for Community Eye Health"

Dhanyabad!

Jai Hind.

Swapan K. Samanta

Swapan Samanta
Hony Secretary, Association of Community Ophthalmologists of India.
President, Indian Association of Leprologists,
Deputy Secretary General, SAARC Academy of Ophthalmology(SAO)
267 Abasbari, TAMLUK, Dist. Purva Medinipore, West Bengal, PIN : 721636,
Tel : 03228267101., 09434023759, Email : swapansamanta53@gmail.com
